Jarava BG Translation Agency offers **certified and legalized translation from/to Spanish**

The Spanish translations we offer are subdivided into four different types to meet your needs and requirements:

- **Certified Spanish translation:** includes translation by a certified (sworn) translator, plus check for contextual errors;
- **Spanish translation and proofreading**: includes official translation plus proofreading (check for grammatical, spelling and syntax mistakes);

- **Specialized Spanish translation:** includes official translation plus proofreading and phrasing/terminology check by an external expert in the respective field.

- **Spanish translation and editing:** a translation edited by a Spanish native-speaking editor.

We offer translations from/to Spanish of:

- Specialized texts of various type: legal, financial, technical, medical, etc.;
- Fiction and scientific texts: scripts, research papers, analyses, books, articles, etc.;
- Technical documentation: specifications, data sheets, operation manuals, etc.;
- Commercial documentation: fax messages, declarations, powers of attorney, certificates, public and banking documents;
- Advertising materials: booklets, brochures, advertising texts, etc.;
- Educational documentation: diplomas, certificates, transcripts, etc.;
- Business and/or personal correspondence of any kind with guaranteed confidentiality

We offer the following Spanish interpretation services:

- Interpretation and escorting of private/official groups/persons during their trips in Spanish-speaking countries.
- Interpretation at conferences, seminars and other events;
- Interpretation during phone or video calls/negotiations/conferences, etc.;
- Interpretation during court hearings.
